BOOK SYNOPSIS

Served by dozens of daily flights from cities all around the world, Puerto Rico is unusually easy to reach, balmy and warm throughout the year, full of fine beaches, pools and golf courses, blessed with historic sights and museums, jammed with good quality lodgings, restaurants and shops -- and inexpensive-to-moderate to enjoy. But instead of drowning the reader in massive descriptions of the places that vacationers use, our author confines himself to a smaller, but still comprehensive, list of preferences -- his own several favorites in every price range. He is John Marino, a distinguished journalist on a San Juan, Puerto Rico, daily newspaper, and no one knows Puerto Rico (including Vieques and Culebra) better than him. Frommers is proud to have snared such a skilled and experienced observer as the author of our guide to this popular U.S. Commonwealth.

FROMMERS EASYGUIDE TO PUERTO RICO EASY GUIDES - Are you looking for Ebook Frommers EasyGuide To Puerto Rico Easy Guides ?
