## BOOK SYNOPSIS

The dazzling, prizewinning, wickedly funny tale of Mary Karr's hardscrabble Texas childhood—the book that sparked a renaissance in memoir When it was published in 1995, Mary Karr's *The Liars' Club* took the world by storm and raised the art of the memoir to an entirely new level, as well as bringing about a dramatic revival of the form. Karr's comic childhood in an east Texas oil town brings us characters as darkly hilarious as any of J. D. Salinger's—a hard-drinking daddy, a sister who can talk down the sheriff at twelve, and an oft-married mother whose accumulated secrets threaten to destroy them all. Now with a new introduction that discusses her memoir's impact on her family, this unsentimental and profoundly moving account of an apocalyptic childhood is as “funny, lively, and un-put-downable” (USA Today) today as it ever was. From the Trade Paperback edition.

**THE LIARS CLUB A MEMOIR** - Are you looking for Ebook *The Liars Club A Memoir*? You will be glad to know that right now *The Liars Club A Memoir* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.
