BOOK SYNOPSIS

The incredible conclusion to the trilogy that began with the Hugo Award-winning *The Fifth Season* · Shortlisted for the Hugo, Nebula, Kitschies, Audie and Locus Awards · A New York Times Notable Book · The inaugural Wired.com book club pick *The Moon* will soon return. Whether this heralds the destruction of humankind or something worse will depend on two women. Essun has inherited the phenomenal power of Alabaster Tenring. With it, she hopes to find her daughter Nassun and forge a world in which every outcast child can grow up safe. For Nassun, her mother's mastery of the Obelisk Gate comes too late. She has seen the evil of the world, and accepted what her mother will not admit: that sometimes what is corrupt cannot be cleansed, only destroyed.
